NaTakallam in Organizations: Case Studies

Organizational Language Learning

Overview:

NaTakallam has partnered with **Médecins Sans Frontières (MSF)** to provide language learning support for their international workforce, including language assessment service, **providing over 1200 hours so far!**

Our Collaboration:

Tailored Learning for Humanitarian Workers

Flexible Online Classes:

NaTakallam offers 30-hour, high-quality online language class bundles with flexible schedules, ideal for employees working in remote locations or on-site in humanitarian aid.

Custom and Diverse Language Sessions

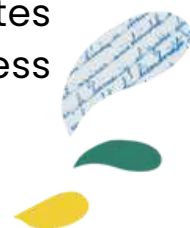

The partnership offers MSF employees language training and assessment in English, Arabic, Spanish and French that fits their needs while maintaining the highest educational standards.

Long-Term Partnership

NaTakallam and MSF have established a multi-year contract, ensuring year-round ongoing language learning support for MSF's global staff.

Language Level Assessment

NaTakallam provides language level assessment and certificates before and after language sessions, reporting language progress and levels before humanitarian missions.

Organizational Language Learning

Overview:

NaTakallam has partnered with **Teens of Color Abroad** to offer students of color immersive global language learning and cultural exchange opportunities, with **over 200 NaTakallam sessions so far!**

Our Collaboration:

Specialized Curriculum and Certification

NaTakallam developed **high-quality online language curriculums** of **20 hours** in **Arabic, Spanish, and French**. **TOCA** students learn these curricula and receive language certification at the end.

Global Awareness

NaTakallam also offers Refugee Voices sessions to the teenage students alongside the language learning sessions, ensuring they expand their horizons and global empathy.

Supporting Youth of Color

NaTakallam in collaboration with Georgetown University provide these students of color with scholarships to ensure their access to language learning and global awareness.

Organizational Refugee Voices Sessions

Overview:

NaTakallam collaborates with the **UNHCR Spanish Committee** to offer **Refugee Voices** sessions, bringing the personal stories of refugees to educational settings.

NaTakallam has presented over **50 Refugee Voices** sessions with UNHCR so far!

Our Collaboration:

These sessions are presented at **universities, vocational schools**, and professional academies, helping to enrich academic discussions around migration, human rights, and international relations.

Interactive Refugee Stories:

Refugee Voices sessions feature refugees who share their personal journeys of displacement, providing students with firsthand insight into the struggles, resilience, and human impact of forced migration.

Customizable Themes on Displacement & Conflict

Refugee Voices sessions are customizable, covering themes like the arts, gender, family separation, or climate migration. NaTakallam pairs each session with a refugee whose personal story matches the topic, offering a unique and tailored experience.
